Submitted to the AGM of the LIASA Annual Conference, Date .

MOTION
<i>Example: The LIASA Gauteng South Branch AGM through PACLIG has identified that young work seeking adults lack languages, reading, writing and IT skills which are generally recognized as essential to the world of work. The branch strongly feels that it be acknowledged as one of the core functions of Public and Community libraries nationally. One of the elements of this function is the critical role in up skilling the youth, for the enhancement of economic development and job creation. It is therefore proposed that LIASA support this initiative by assisting public and community libraries with resources to create appropriate programmes, guidelines, and platforms.</i>
