

ICTLIG Western Cape are excited to invite you to a face-to-face workshop on **web conferencing**.

The focus of the workshop will be on using **BigBlueButton**, **Google Hangouts** and **Skype**.

LIASA makes available **BigBlueButton**, a feature rich platform that can be used for webinars and online meetings.

Google Hangouts is Google's video chat service free to use with your Gmail account.

Skype, a well-known household name in personal online communication, provides text, voice and video calls, and, web –conferencing options.

Bring your own devices to the workshop. As many as you like! We will help you with setup and show you the possibilities and strengths of each platform.
